Members of the public can address the Board for a maximum of three minutes at the commencement of the meeting on any item that is described in this notice or other issues under the Board's purview. Members of the public who require translation to English may be provided a maximum of three additional minutes for translation. Members of the public are only allowed to speak once at each board meeting. Each person who addresses the Board shall not make personal, impertinent, slanderous, or profane remarks to any Board member, staff, or general public.

As per Executive Order N-29-20 from Governor Newsom, the meetings of the Board of Directors of Extera Public Schools will move to a virtual/teleconference environment using Zoom. The purpose of the Governor's executive order is to control the spread of Coronavirus and to reduce and minimize the risk of infection by "limiting attendance at public assemblies, conference, or other mass events." The Governor's executive order on March 20, 2020, waived the requirement for a majority of board members to physically participate in a public board meeting at the same location. The intent is not to limit public participation, but rather to protect public health by following the Governor's Stay at Home executive order and the Los Angeles County's "Safer at Home" Order.

Instructions for public comments at board meetings conducted via Zoom:

If you wish to make a public comment, please follow these instructions:

1. A Google Form "sign-up" will be open to members of the public 30 minutes prior to the public meeting. This Google Form will take the place of "speaker cards" available at meetings.
2. Speakers will fill in their names and select if they wish to address the board regarding specific agenda item (3 minutes allotted) or a non-agenda item (3 minutes allotted).
3. Speakers are asked to attend the board meeting virtually through the Zoom invitation link on the top of the agenda.
4. When it is time for the speaker to address the board, his/her name will be called by the Board Chair and the requesting speaker's microphone will be activated.
